Mentorship Advice from Jon Browning, CEO

- ✓ Follow the GMI process and don't skip steps. This program really works.
- ✓ Invest the time to create your online business identity. This will create job opportunities throughout your career.
- ✓ Stay with the mentorship! It's not just about your talents. Those who succeed are usually the ones who put in the effort regardless of their raw talent.
- ✓ Finding a great job is a numbers game. The more you connect with people and apply for positions, the more opportunities you will have. When you have career options, you can make the best choices.
- ✓ Anyone can do this, but not everyone will. This is a unique opportunity and I hope you take advantage of this!
